

South Australia

In....South Australia I was born, heave away, haul away.....

Heave away, haul away.....

Heave away, haul away, in South Australia round Cape Horn

We're bound for South Australia.....

We're bound for South Australia! Haul away you rolling kings,

We're bound for South Australia!.....

Heave away, haul away.....O..... we're bound for South Australia!

Heave away, haul away. All the way you'll hear us sing, we're bound for South Australia!

Heave away, haul away.....hear us sing, we're bound for South Australia!

Verse 2: (MEN) I see my girl there on the quay....

(ALTOS) She's weeping as she waves to me.

Verse 3: (MEN) I'll drink a glass as we cross the foam..

(ALTOS) And one to the lass I leave at home.
